Only e-mail inquiries addressed to the contact person listed Section 1.3 will be accepted. Bidders shall provide specific information to enable the state to identify and respond to their questions. When submitting inquiries, please reference the RFP number. At its discretion, Covered California may contact an inquirer to seek clarification of any inquiry received. Bidders who fail to report a known or suspected problem with the RFP or fail to seek clarification and/or correction of the RFP, shall submit a proposal at their own risk.

1.6 Submission of Final Proposals

1. Preparation: Proposals are to be prepared in such a way as to provide a straightforward, concise delineation of capabilities to satisfy the requirements of this RFP. Expensive bindings, colored displays, promotional materials, etc., are neither necessary nor desired. Emphasis should be on conformance to the RFP instructions, responsiveness to the RFP requirements and completeness and clarity of content.
2. Bidder's Cost: Costs for developing proposals are entirely the responsibility of the Bidder and shall not be chargeable to Covered California.
3. Completion of Proposals: Proposals must be complete in all respects as described in the requirements established within the RFP. A Final Proposal may be rejected if it is conditional or incomplete, or if it contains any alterations of form or other irregularities of any kind. A Final Proposal must be rejected if any such defect or irregularity constitutes a material deviation from the RFP requirements as determined by Covered California in its sole discretion. The Final Proposal must contain all items required in the RFP.
4. False or Misleading Statements: Proposals that contain false or misleading statements, or that provide references which do not support an attribute or condition claimed by the Bidder, may be rejected. If, in the opinion of Covered California, such information was intended to mislead Covered California in its evaluation of the proposal, and the attribute, condition, or capability is a requirement of this RFP, it will be the basis for rejection of the proposal.

Issuance of this RFP in no way constitutes a commitment by the State of California to award a contract. Covered California reserves the right to reject any or all proposals received if Covered California determines that it is in Covered California's best interest to do so. Covered California may reject any proposal that is conditional or incomplete. Assumptions made by the Bidder in responding to this RFP do not obligate Covered California in any way.

Additionally, assumptions may make the proposal conditional and be cause for the proposal to be rejected. Responses to this RFP will be assessed based on determining the "Best Value" and the selection, if made, will be to a single Bidder. The SOW and bid will be made a part of the resulting Contract.

1.7 Format of Proposals

This RFP requires Bidders to submit a proposal that shall contain all required Administrative and Technical Attachments and Exhibits, and submitted in a sealed envelope or container when shipped to Covered California by the dates and times shown in Section 1.2 Key Dates. The sealed package must be plainly marked with the (1) RFP number and title, (2) Bidder's name and address, and (3) must be marked "DO NOT OPEN", as shown in the following example:

RFP 2015-32: Financial Statement and Single Audit
Attention: John Chermesino
California Health Benefit Exchange
1601 Exposition Blvd.
Sacramento, CA 95815
DO NOT OPEN

Hardcopy proposals shall be on standard 8 ½" x 11" paper. Electronic versions shall be stored in a Covered California-designated central repository and will remain the sole property of Covered California.

Bidder shall submit four (4) sets of copies for all Administrative and Technical Attachments and Exhibits in the sealed Envelope or Container. In the Bidder's best interest, one (1) set should be titled "Master Copy" and the remaining number as additional copies. Bidder shall also provide a CD-ROM or computer USB flash drive with the appropriate Administrative and Technical Attachments and Exhibits in searchable text format (e.g., MS®Word, searchable Adobe®PDF). Each copy shall be titled and unbound, including the additional copies.

Proposals not submitted under sealed cover may be rejected.

1.8 Rejection of Proposals

Deviations, whether or not intentional, may cause a proposal to be non-responsive and not considered for award. Covered California may reject any or all proposals and may waive any immaterial deviation or defect in a proposal. Covered California's waiver of any immaterial deviation or defect shall in no way modify the RFP documents or excuse the Bidder from full compliance with the RFP specifications if awarded a contract. FINAL PROPOSALS NOT RECEIVED BY THE DATE AND TIME SPECIFIED IN SECTION 1.2 KEY ACTION DATES OR NOT SEALED, remain unopened and be maintained by the Contact listed in Section 1.3 separately from proposals that have been timely received.

Proposals received after expiration of the deadline shall not be submitted to the Evaluation Team nor considered except upon written approval of the Executive Director, or his/her authorized designee, specifying the reason(s) for acceptance and consideration of the proposal(s) received after expiration of the deadline.

1.9 Errors in Final Proposals

An error in the Final Proposal may cause the rejection of that proposal; however, Covered California may, AT ITS SOLE OPTION, retain the proposal and make certain corrections. In determining if a correction will be made, Covered California will consider the conformance of the proposal to the format and content required by the RFP, and any unusual complexity of the format and content required by the RFP.

1. If the Bidder's intent, as determined by Covered California, is clearly established based on review of the complete Final Proposal submittal, Covered California may at its sole option correct an error based on that established intent.
2. Covered California may at its sole option correct obvious clerical errors.
3. A Bidder may modify a proposal after submission by withdrawing its original proposal and resubmitting a new proposal prior to the proposal submission deadline. Bidder modifications offered in any other manner, oral or written, will not be considered.
4. A Bidder may withdraw his/her proposal by submitting a written withdrawal request to Covered California, signed by the Bidder or an authorized agent. A Bidder may thereafter submit a new proposal prior to the proposal submission deadline. Proposals may not be withdrawn without cause subsequent to the proposal submission deadline.
5. Covered California may modify the RFP prior to the proposal submission deadline by the issuance of an addendum on its website.
6. Covered California reserves the right to reject any proposal that does not satisfy the requirements set forth in the RFP. Covered California is not required to award a contract. Before submitting a response to this RFP, Bidders should review, correct all errors, and confirm compliance with the RFP requirements.
7. All proposals must be based on the Model Contract provided with this solicitation (SOW provided in Section 3, and contract General Terms and Conditions provided in Model Contract, Exhibit C). Bidders must submit as part of their response any exceptions to the Model Contract that they wish to negotiate. Bidder's exceptions must be documented in an attachment labeled "Proposal Contract Exceptions." All Model Contract exceptions must be included in the Bidder's proposal at the time of its submission. No additional exceptions may be presented during contract negotiations.
8. No oral understanding or agreement shall be binding on either party.

1.10 Protest

A protest may be submitted according to the procedures set forth below. If a Bidder has submitted a proposal which it believes to be totally responsive to the requirements of the solicitation process and believes the Bidder should have been selected, according to Section 5.3 – Evaluation Criteria, and the Bidder believes Covered California has incorrectly selected another Bidder for the award, the Bidder may submit a protest of the

selection as described below. Protests regarding selection of the “successful Bidder” will be heard and resolved by Covered California’s Executive Director.

All protests must be made in writing, signed by an individual who is authorized to contractually bind the Bidder, and contain a statement of the reason(s) for protest, citing the law, rule, regulation, or procedures on which the protest is based. The protester must provide facts and evidence to support their claim. Certified or registered mail must be used unless delivered in person, in which case the protester should obtain a receipt of delivery. The final day to receive a protest is five (5) business days after Bidder selection. Protests must be mailed or delivered to:

1.11 Disposition of Proposals

Upon proposal opening, all documents submitted in response to this RFP will become the property of the State of California. Government Code Section 100508(a)(1) exempts from disclosure under the Public Records Act all deliberative processes, communications, or portions of negotiations with entities contracting or seeking to contract with Covered California and entities with which Covered California is considering a contract. Included within the exemption include, but are not limited to, score sheets and proposals submitted by Bidders for purposes and any evaluation of competing for a contract. Covered California may, at its discretion, waive this exemption.

1.12 Contract Execution and Performance

Performance shall begin no later than the express date set forth in the RFP by Covered California after all approvals have been obtained and the contract is fully executed. Should the Contractor fail to commence work at the agreed-upon date and time, Covered California, upon five (5) days written notice to the Contractor, reserves the right to terminate the contract. In addition, the Contractor shall be liable to Covered California for the difference between Contractor’s proposal price and the actual cost of performing work by the replacement contractor.

All performance under the contract shall be completed on or before the termination date of the contract.

1.13 Subsequent Solicitation

At Covered California’s sole discretion, after the contract award has been made and the contract has been executed, if the contract is terminated with or without cause after performance has begun, Covered California may engage the next-highest-ranked Bidder without performing a subsequent solicitation.

1.14 Addition or Subtraction of Services

Notwithstanding that proposals have been submitted, at Covered California's sole discretion, the SOW may be modified to add or remove services through an addendum. If proposals have been submitted at the time Covered California posts the addendum, Covered California may restrict responses to the addendum so that only those entities that have submitted proposals in response to the initial RFP may respond to the addendum with the modified services.

2. MINIMUM QUALIFICATIONS

2.1 Respondents' Minimum Qualifications

Bidder must:

1. Be a licensed Certified Public Accountant (CPA) audit organization that can practice in the State of California.
2. 1. Experience in conducting financial statement audit in accordance with Generally Accepted Government Auditing Standards.

If a Contractor employee is unable to perform duties due to illness, resignation, or other factors beyond the Contractor's control, the Contractor shall make every reasonable effort to provide suitable substitute personnel.
2. Substitute personnel shall not automatically receive the hourly rate of the individual or position being replaced. Covered California and the Contractor shall negotiate the hourly rate of any substitute personnel to the contract. The hourly rate negotiated shall be dependent, in part, on the experience and individual skills of the proposed substitute personnel. The negotiated rate cannot exceed the hourly rate stated in the contract.
3. Covered California reserves the right to request a Contractor employee be removed from performing any work on the contract and upon written notice to the Contractor, the Contractor shall assign a substitute employee.
4. The Contractor shall not subcontract any activities of this contract.

3. SCOPE OF WORK

3.1 Background

Soon after the passage of national health care reform through the Patient Protection and Affordable Care Act of 2010 (ACA), California was the first state in the nation to enact legislation creating a state-based health benefit exchange. California early on chose to operate its own exchange, now known as "Covered California." Covered California's vision is to improve the health of all Californians by assuring their access to affordable, high-quality care.

The goals and objectives of Covered California are to:

- Reduce the number of uninsured Californians by creating an organized, transparent marketplace for Californians to purchase affordable, quality health care coverage, to claim available federal tax credits and cost-sharing subsidies, and to meet the personal responsibility requirements imposed under the ACA;
- Strengthen the health care delivery system;
- Serve as an active purchaser, including creating competitive processes to select participating carriers and other contractors;

- Require that health care service plans and health insurers issue coverage in the individual and small employers markets and compete on the basis of price, quality, and service (and not on risk selection); and,
- Meet federal and state law requirements, guidance and regulations.

Covered California is an independent public entity within state government with a five-member board appointed by the Governor and the Legislature. Two members are appointed by the Governor; one by the Senate Rules Committee; and one by the Speaker of the Assembly. The Secretary of the Health and Human Services Agency or another designee serves as an ex-officio voting member of the Board. Appointed members serve four-year terms.

Covered California works in close partnership with:

- The Department of Health Care Services, which oversees and administers the California's Medicaid Program (Medi-Cal) and other specifically focused health programs;
- The two agencies that regulate health insurance in California: the Department of Managed Health Care and Department of Insurance; and,
- A broad range of stakeholders whose constituencies will be impacted by health care reform.

The purpose of this RFP:

As set forth in 45 CFR Part 155 Exchange Establishment Standards and Other Related Standards under the Affordable Care Act, Subpart M-Oversight and Program Integrity Standards for State Exchanges, § 155.1200(c) *External Audits*, the Exchange must engage an independent qualified auditing entity which follows generally accepted governmental auditing standard (GAGAS) to perform an annual independent external financial and programmatic audit and must make such information available to the Department of Health and Human Services (HHS) for review.

In addition, 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, Subpart F – Audit Requirements, § 200.501(a) and (b) requires a non-federal entity that expends \$750,000 or more during the non-federal entity's fiscal year must have single or program specific audit conducted for that year in accordance with § 200.514 Scope of audit except when elected to have a program-specific audit.

As summarized, 2 CFR § 200.514 Scope of Audit, encompasses an audit of Covered California's financial statements in accordance with GAGAS and generally accepted accounting principles (GAAP); an assessment of internal control over Federal programs; compliance with Federal statutes, regulations, and the terms and conditions of Federal awards that may have a direct and material effect; follow-up procedures on prior audit findings for reasonableness; and completion of the data collection form as part of the report submission.

According to 2 CFR § 200.512 Report Submission, the Single Audit must be submitted by the earlier of 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period to the Federal Audit Clearinghouse (FAC). Covered California must electronically submit to the FAC the data collection form and the reporting package must include the following:

- Financial statements and schedule of expenditures of Federal awards
- Summary schedule of prior audit findings
- Auditor's report(s)
- Corrective action plan
- A copy of any management letters issued by the auditor

Covered California reserves the right to retain the services of the organization selected as a result of this RFP to assist with other related activities and projects embarked upon by Covered California during the established contract period, or through a contract amendment.

3.5 Deliverable Acceptance Criteria

All completed work must be submitted to Covered California for review and approval or rejection. Payment for all tasks performed under this SOW will be based on time and materials. It will be Covered California's sole determination as to whether any tasks have been successfully completed and are acceptable.

Throughout the contract, Covered California will review and validate services performed. In addition, Covered California's Project Manager will verify and approve the Contractor's invoices. Signed acceptance is required from the Covered California Project Manager to approve an invoice for payment.

2. Provide written reports for review and approval by Covered California and formally respond to Covered California review findings as necessary.
3. Meet as needed with Covered California staff to discuss progress.
4. Make its best efforts to maintain staff continuity throughout the life of the project. If, however, a substitution becomes necessary, the Contractor must submit a resume for review, in advance, of all proposed personnel substitutions. All Contractor personnel substitutions must be approved in writing by Covered California's Project Manager. Failure to receive the required approvals may result in termination of the contract.
5. On a monthly basis, each contractor staff person shall complete a timesheet.
6. On a biweekly basis, the Contractor shall provide Covered California with a written status report.
7. The contractor will prepare and provide ad-hoc reports as Covered California deems appropriate and necessary.

3.7 Covered California's Roles and Responsibilities

Covered California shall:

1. Designate Covered California contact person (Project Manager) to whom all Contractor communications may be addressed and who has the authority to act on all aspects of the services. This person will review the contract and associated documents with the Contractor to ensure understanding of the responsibilities of both parties.
2. Provide access to business and technical documents as necessary for the Contractor to complete the tasks identified in this RFP.

3. Ensure appropriate resources are available to perform assigned tasks, attend meetings, and answer questions.
4. Ensure that decisions are made in a timely manner.
5. Provide work areas and meeting rooms as needed.
6. Identify and provide access to Subject Matter Experts to assist with the elaboration of technical requirements.

3.8 Project Assumptions and Constraints

1. The Contractor's work hours must be consistent with Covered California's key staff on-site, whose normal business hours are 8:00 AM to 5:00 PM PT, Monday through Friday, except for California State holidays.
2. Overtime rates will not be reimbursed under the contract.
3. Travel will not be reimbursed under the contract.
4. Any modifications to tasks within the SOW of the contract will be defined, documented, and mutually agreed-upon by the Contractor and Covered California's Project Manager prior to starting work on the modified task. Amendments to the contract for tasks within the SOW are limited to an extension of time or tasks directly related to the SOW.
5. Covered California's Project Manager reserves the right to renegotiate the services deemed necessary to meet the needs of this project according to Covered California's priorities. Covered California and the Contractor must mutually agree to all changes. Renegotiated services outside the scope of the original contract will require contract amendment prior to commencement of work.
6. Covered California and the Contractor are mutually obligated to keep open and regular channels of communication in order to ensure the successful execution of this contract. Both parties are responsible for communicating any potential problem or issue to Covered California's Project Manager and the Contractor's engagement manager, respectively, within 48 hours of becoming aware of the problem.

3.9 Contract Amendment

Covered California may, at its sole discretion, extend the term of the contract for up to three (3) one-year periods. If mutually agreed upon by the State and the Contractor, this contract shall be amended to include additional funding at the same rates provided in the Bidder's proposal.

3.10 Payment and Invoicing

Payment to Contractor is contingent upon Covered California's receiving funding from the Federal government and the collection of fees assessed from the Qualified Health

Plans. Covered California shall bear no liability or responsibility for payment to Contractor, even for services provided and delivered, in the event payment to Covered California from the Federal government or the collection of fees assessed from the Qualified Health Plans is delayed, suspended, or terminated.

The Contractor may invoice Covered California only after the successful completion and acceptance of the deliverables. The Contractor may not invoice Covered California for any costs exceeding the maximum amount identified to complete a deliverable.
