Only e-mail inquiries addressed to the contact person listed Section 1.3 will be accepted. Bidders shall provide specific information to enable the state to identify and respond to their questions. When submitting inquiries, please reference the RFP number. At its discretion, Covered California may contact an inquirer to seek clarification of any inquiry received. Bidders that fail to report a known or suspected problem with the RFP or fail to seek clarification and/or correction of the RFP, shall submit a proposal at their own risk.

1.7 Submission of Final Proposals

1. Preparation: Proposals are to be prepared in such a way as to provide a straightforward, concise delineation of capabilities to satisfy the requirements of this RFP. Expensive bindings, colored displays, promotional materials, etc., are not necessary or desired. Emphasis should be concentrated on conformance to the RFP instructions, responsiveness to the RFP requirements, and completeness and clarity of content.
2. Bidder's Cost: Costs for developing proposals or attending Bidder conferences are entirely the responsibility of the Bidder and shall not be chargeable to Covered California.
3. Completion of Proposals: Proposals must be complete in all respects as described in the requirements established within the RFP. A Final Proposal may be rejected if it is conditional or incomplete, or if it contains any alterations of form or other irregularities of any kind. A Final Proposal must be rejected if any such defect or irregularity constitutes a material deviation from the RFP requirements. The Final Proposal must contain all items required in the RFP.
4. False or Misleading Statements: Proposals which contain false or misleading statements, or which provide references which do not support an attribute or condition claimed by the Bidder, may be rejected. If, in the opinion of Covered California, such information was intended to mislead Covered California in its

evaluation of the proposal, and the attribute, condition, or capability is a requirement of this RFP, it will be the basis for rejection of the proposal.

Issuance of this RFP in no way constitutes a commitment by the State of California to award an agreement. Covered California reserves the right to reject any or all offers received if Covered California determines that it is in Covered California's best interest to do so. Covered California may reject any offer that is conditional or incomplete. Assumptions made by the Bidder in responding to this RFP do not obligate Covered California in any way. Additionally, assumptions may make the offer conditional and be cause for the offer to be rejected. Responses to this RFP will be assessed based on determining the "Best Value" and the selection, if made, will be to a single Bidder. The SOW and the offer will be made a part of the resulting Agreement.

1.8 Format of Proposals

This RFP requires Bidder(s) to submit a final phase proposal(s) that shall contain all required Administrative and Technical Attachments and Exhibits and submitted in a sealed envelope/container when shipped to Covered California by the dates and times shown in Section 1.2 Key Dates. The sealed package must be plainly marked with the (1) RFP number and title, (2) firm name and address, and (3) must be marked with "DO NOT OPEN", as shown in the following example:

Hardcopy proposals shall be on standard 8 ½" x 11" paper. Electronic versions shall be stored in a Covered California-designated central repository and remain the sole property of Covered California.

Bidder shall submit a minimum of four (4) sets of copies for all Administrative/Technical Attachments and Exhibits in the sealed Envelope/Container. In the bidder's best interest, one (1) set should be titled as being the Master copy and the remaining three (3) as additional copies. Bidder shall also provide a CD ROM with the appropriate Administrative and Technical Attachments and Exhibits in searchable text format (e.g., Word, searchable PDF). Each copy shall be titled and unbound including the additional copies.

Bids not submitted under sealed cover will be rejected.

1.9 Rejection of Proposals

Deviations, whether or not intentional, may cause a proposal to be non-responsive and not considered for award. Covered California may reject any or all proposals and may waive any immaterial deviation or defect in a proposal. Covered California's waiver of

any immaterial deviation or defect shall in no way modify the RFP documents or excuse the Bidder from full compliance with the RFP specifications if awarded a contract. **FINAL PROPOSALS NOT RECEIVED BY THE DATE AND TIME SPECIFIED IN SECTION 1.2 KEY ACTION DATES OR NOT SEALED, WILL BE REJECTED.**

1.10 Errors in Final Proposals

An error in the Final Proposal may cause the rejection of that proposal; however, Covered California may, **AT ITS SOLE OPTION**, retain the proposal and make certain corrections. In determining if a correction will be made, Covered California will consider the conformance of the proposal to the format and content required by the RFP, and any unusual complexity of the format and content required by the RFP.

1. If the Bidder's intent, as determined by Covered California, is clearly established based on review of the complete Final Proposal submittal, Covered California may at its sole option correct an error based on that established intent.
2. Covered California may at its sole option correct obvious clerical errors.
3. Covered California may at its sole option correct discrepancy/errors on the basis that if intent is not clearly established by the complete Final Proposal submittal, the Master Copy shall have priority over additional copies.
4. A bidder may modify a bid after submission by withdrawing its original bid and resubmitting a new bid prior to the bid submission deadline. Bidder modifications offered in any other manner, oral or written, will not be considered.
5. A bidder may withdraw its bid by submitting a written withdrawal request to Covered California, signed by the bidder or an authorized agent. A bidder may thereafter submit a new bid prior to the bid submission deadline. Bids may not be withdrawn without cause subsequent to bid submission deadline.
6. Covered California may modify the RFP prior to the date fixed for submission of bids by the issuance of an addendum to all parties.
7. Covered California reserves the right to reject any/all bids. Covered California is not required to award an agreement.
8. Before submitting a response to this solicitation, bidders should review, correct all errors, and confirm compliance with the RFP requirements.
9. All proposals must be based on the Model Contract provided with this solicitation (Scope of work provided in Section 3, and contract General Terms and Conditions provided in Attachment 2). Proposing vendors must submit as part of their response any exceptions to the Model Contract that they wish to negotiate. Vendor exceptions must be documented in an attachment labeled "Proposal Contract Exceptions." All Model Contract exceptions must be included in the Vendor Proposal at the time of its submission. No additional exceptions may be presented during contract negotiations.

10. No oral understanding or agreement shall be binding on either party.

1.11 Protest

A protest may be submitted according to the procedures set forth below. If a vendor has submitted a proposal which it believes to be totally responsive to the requirements of the solicitation process and believes the proposer should have been selected, according to Section 6.3 - Evaluation Criteria, and the proposer believes Covered California has incorrectly selected another proposer for the award, the proposer may submit a protest of the selection as described below. Protests regarding selection of the “successful proposer” will be heard and resolved by Covered California’s Executive Director.

All protests must be made in writing, signed by an individual who is authorized to contractually bind the proposer, and contain a statement of the reason(s) for protest, citing the law, rule, regulation, or procedures on which the protest is based. The protester must provide facts and evidence to support their claim. Certified or registered mail must be used unless delivered in person, in which case the protester should obtain a receipt of delivery. The final day to receive a protest is five (5) business days after vendor selection. Protests must be mailed or delivered to:

3. SCOPE OF WORK

3.1 Statement of Purpose

The purpose of this Request for Proposal (RFP) is to obtain the services of consultants to provide Covered California with marketing recruitment services. The goals of this project will be to source, recruit, and secure a marketing team for Covered California that will be a combination of state civil service workers, state exempt workers, and contracted consultants.

Covered California reserves the right to retain the services of the organization resulting from this RFP to assist with other relative activities and related projects embarked upon by Covered California during the established contract period, or through a contract amendment.

Read this document carefully. Responses to this RFP must be submitted to Covered California contact noted in Section 1.3.

3.2 Background

Both federal and state law requires Covered California to conduct outreach and education activities to inform consumers about Covered California and insurance affordability options. Specifically, California Government Code § 100503(k) requires Covered California to undertake activities necessary to market and publicize the availability of health care coverage and federal subsidies through Covered California. In the event Covered California experiences delays in the implementation of its programs under the Affordable Care Act, it will significantly impact the health and safety of Californians, under the provisions of GC § 100500 – 100521, Insurance Code § 10112.3, and Health and Safety Code § 1366.6.

Covered California will open enrollment for health insurance in October 2013. Prior to enrollment though, Covered California will need to launch a marketing and publicity plan to advertise the health care options that will be available. Covered California is currently staffing the Communications and Public Relations program area and these services will assist with hiring qualified civil service employees to run this program. The services provided by the Contractor are necessary for Covered California to reach the millions of people in California eligible for Covered California's health insurance by October 2013.

Covered California will:

1. Small Business Preferences: Bidders claiming the 5% preference must be certified by California as a small business or must commit to subcontract at least 25% of the net bid price with one or more California Certified Small Businesses (CCSB). The SB preference is for California-based Certified SB only.
