AGENDA

- Overview

- CalHEERS System Demonstration

- Question and Answer

OVERVIEW

Today's Focus: Online Self-Enrolled

CalHEERS SYSTEM DEMONSTRATION

- To bring the concepts of the CalHEERS system to life, we present a user scenario: **Individual Eligibility & Enrollment – Mixed Case Household**

- Please note that the screen and process flows you will see are a work-in-process, and are likely to change in the initial system rollout

- Screen navigation and usability are based on industry standard Enroll UX 2014 guidelines

- Usability research/testing is underway and test recommendations will be implemented on a prioritized basis
