## **I. FUNDING OPPORTUNITY DESCRIPTION**

### **A. Purpose**

On March 23, 2010, the President signed into law the Patient Protection and Affordable Care Act. On March 30, 2010, the Health Care and Education Reconciliation Act of 2010 was signed into law. The two laws are collectively referred to as the Affordable Care Act. The Affordable Care Act includes a wide variety of provisions designed to expand coverage, to provide more health care choices, to enhance the quality of health care for all Americans, to hold insurance companies more accountable, and to lower health care costs. Among its provisions, the law provides grant funding to assist States in implementing parts of the Affordable Care Act, such as grants for insurance rate review and consumer assistance.

Section 1311 of the Affordable Care Act provides funding assistance to the States for the planning and establishment of American Health Benefit Exchanges ("Exchanges"). The Affordable Care Act provides that each State may elect to establish an Exchange that would: 1) facilitate the purchase of qualified health plans; 2) provide for the establishment of a Small Business Health Options Program ("SHOP Exchange") designed to assist qualified employers in facilitating the enrollment of their employees in QHPs offered in the SHOP exchange; and 3) meet other requirements specified in the Act.

The first installment of these planning and establishment grants must be awarded no later than March 23, 2011; the authority to award additional grants extends through January 1, 2015. The U.S. Department of Health and Human Services (HHS) has the flexibility to determine the size

and scope of specific awards to States and the District of Columbia (hereinafter collectively referred to as “States” unless context would indicate otherwise).

The funding awarded pursuant to this Funding Opportunity Announcement is intended to assist States with initial planning activities related to the potential implementation of the Exchanges. Grants will be awarded in amounts up to a maximum of \$1 million per State, depending on the number and scope of activities for which funding is sought.

Federal regulations to establish standards for Exchanges are currently under development, as required by Section 1321 of the Affordable Care Act. HHS intends to request broad stakeholder input on the design and implementation of Exchanges through a Request for Comment (RFC) that will be published in the Federal Register.

Federal guidance/notice will be provided in 2011 regarding additional grant funding available for FY 2011 and beyond.

Additional information on the Affordable Care Act can be found at [www.HealthCare.gov](http://www.HealthCare.gov).

## **B. Authority**

This planning grant is being issued by the Office of Consumer Information and Insurance Oversight (OCIIO), within the HHS Office of the Secretary. OCIIO’s Office of Health Insurance Exchanges administers the grant. The funding for this opportunity is authorized by the Affordable Care Act.

## **C. Background**

Beginning in 2014, tens of millions of Americans will have access to health coverage through newly established Exchanges in each State. Individuals and small businesses can use the Exchanges to purchase affordable health insurance from a choice of products offered by qualified health plans. Exchanges will ensure that participating health plans meet certain standards and facilitate competition and choices by rating health plans’ quality. Individuals and families purchasing health insurance through Exchanges may qualify for premium tax credits and reduced cost-sharing if their household income is between 133 percent and 400 percent of the Federal poverty level. The Exchanges will coordinate eligibility and enrollment with State Medicaid and Children’s Health Insurance Programs to ensure all Americans have affordable health coverage.

## **II. AWARD INFORMATION**

### **A. Total Funding**

The total funding available to States in this Funding Opportunity Announcement is a maximum of \$51 million.

**B. Award Amount**

Each State is eligible for only one grant award from this funding opportunity. Applicants may apply for a grant of up to \$1 million to complete the first phase of planning and implementation activities (including direct and indirect costs).

**C. Anticipated Award Date**

September 30, 2010

**D. The Period of Performance**

The project period will be 1 year in length.

**E. Number of Awards**

Up to fifty-one (51) awards will be made available for the fifty States and the District of Columbia.

**III. ELIGIBILITY INFORMATION**

**A. Eligible Applicants**

This grant opportunity is open to all States and the District of Columbia. For purposes of this grant solicitation, the term “States” includes the District of Columbia. The Governor of the State (the Mayor, if from the District of Columbia) must designate a State entity as the grant applicant. Only one application per State is permitted.

Applicants may apply for a grant of up to \$1 million to complete activities.

Any application that fails to satisfy the deadline requirements referenced in Section IV, *Application and Submission Information* will be considered non-responsive and will not be considered for funding under this announcement.

**B. Cost-Sharing / Matching**

Cost-sharing or matching funds are not required for this funding opportunity. However, applicants are not prohibited from using other sources to supplement this funding. Applicants may also use these funds to complement activities funded under consumer assistance grants. Federal grants for States to establish Exchanges are available to be awarded through January 1, 2015. Applicants are expected to plan for decreasing dependence on Federal funds to meet the law’s requirement that Exchanges, when operational, are self-sustaining by 2015. Applicants that choose to utilize a cost-sharing/matching approach must take care in appropriately tracking and accounting for Federal dollars spent under this Funding Opportunity Announcement.

**C. Pre-Application Conference Call**

OCIIO will hold one pre-application conference call for potential applicants. The conference call will provide an overview of this project guidance and will include an opportunity for States to ask questions. The pre-application call information is as follows:

- 2 pm EDT on August 5, 2010

- Call in number: (888) 995-9574; Passcode: 3223160
- A recording of the call will be on HHS's website at <http://www.hhs.gov/ociio>.
- The recording will be available within 24 hours of the call and will remain available for 30 days.

#### IV. APPLICATION AND SUBMISSION INFORMATION

##### A. Address to Request Application Package

This solicitation serves as the application package for this grant and contains all the instructions to enable a potential applicant to apply for grant funding. The application should be written primarily as a narrative with the addition of standard forms required by the Federal government for all grants.

Application materials will be available for download at <http://www.grants.gov>. Please note that OCIIO is requiring applications for all announcements to be submitted electronically through <http://www.grants.gov>. For assistance with <http://www.grants.gov>, contact [support@grants.gov](mailto:support@grants.gov) or 1-800-518-4726. At <http://www.grants.gov>, applicants will be able to download a copy of the application packet, complete it off-line, and then upload and submit the application via the Grants.gov website. The solicitation can also be viewed on HHS's website at <http://www.hhs.gov/ociio>.

Specific instructions for applications submitted via <http://www.grants.gov>:

- You can access the electronic application for this project on <http://www.grants.gov>. You must search the downloadable application page by the CFDA number **93.525**.
- At the <http://www.grants.gov> website, you will find information about submitting an application electronically through the site, including the hours of operation. The Office of Consumer Information and Insurance Oversight strongly recommends that you do not wait until the application due date to begin the application process through <http://www.grants.gov> because of the time delay.
- All applicants must have a Dun and Bradstreet (D&B) Data Universal Numbering System (DUNS) number. The DUNS number is a nine-digit identification number that uniquely identifies business entities. Obtaining a DUNS number is easy and there is no charge. To obtain a DUNS number, access the following website: [www.dunandbradstreet.com](http://www.dunandbradstreet.com) or call 1-866-705-5711. This number should be entered in the block with the applicant's name and address on the cover page of the application (Item 8c on the Form SF-424, Application for Federal Assistance). The name and address in the application should be exactly as given for the DUNS number.
- The applicant must also register in the Central Contractor Registration (CCR) database in order to be able to submit the application. Applicants are encouraged to register early. You should allow a minimum of five days to complete the CCR registration. Information about CCR is available at <http://www.ccr.gov>. The central contractor registration process is a separate process from submitting an application. In some cases, the registration process can take approximately two weeks to be completed. Therefore, registration should be completed

in sufficient time to ensure that it does not impair your ability to meet required submission deadlines.

- Authorized Organization Representative: The Authorized Organization Representative (AOR) who will officially submit an application on behalf of the organization must register with Grants.gov for a username and password. AORs must complete a profile with Grants.gov using their organization's DUNS Number to obtain their username and password. [http://grants.gov/applicants/get\\_registered.jsp](http://grants.gov/applicants/get_registered.jsp). AORs must wait one business day after registration in CCR before entering their profiles in Grants.gov.
- When an AOR registers with Grants.gov, the E-Biz POC will receive an email notification. The E-Biz POC must login to Grants.gov (using your organization's DUNS number for a username and the "M-PIN" password obtained in Step 2) and approve the AOR, thereby giving him or her permission to submit applications.
- When an AOR registers with Grants.gov to submit applications on behalf of an organization, that organization's E-Biz POC will receive an email notification. The email address provided in the profile will be the email used to send the notification from Grants.gov to the E-Biz POC with the AOR copied on the correspondence.
- The E-Biz POC must then login to Grants.gov (using the organization's DUNS number for the username and the special password called "M-PIN") and approve the AOR, thereby providing permission to submit applications.
- You must submit all documents electronically in PDF format, including all information included on the SF 424 and all necessary assurances and certifications, and all other attachments.
- Prior to application submission, Microsoft Vista and Office 2007 users should review the Grants.gov compatibility information and submission instructions provided at <http://www.grants.gov>. Click on "Vista and Microsoft Office 2007 Compatibility Information."
- After you electronically submit your application, you will receive an automatic acknowledgement from <http://www.grants.gov> that contains a Grants.gov tracking number. OCIIO will retrieve your application form from Grants.gov.
- After OCIIO retrieves your application form from Grants.gov, a return receipt will be emailed to the applicant contact. This will be in addition to the validation number provided by Grants.gov.
- Each year organizations and entities registered to apply for Federal grants through <http://www.grants.gov> will need to renew their registration with the Central Contractor Registry (CCR). You can register with the CCR online; registration will take about 30 minutes to complete (<http://www.ccr.gov>).

Applications cannot be accepted through any email address. Full applications can only be accepted through <http://www.grants.gov>. Full applications cannot be received via paper mail, courier, or delivery service, unless a waiver is granted per the instructions below.

All grant applications must be submitted electronically and be received through <http://www.grants.gov> by 11:59 pm Eastern Daylight Time on September 1, 2010. All applications will receive an automatic time stamp upon submission and applicants will receive an automatic e-mail reply acknowledging the application's receipt.

The applicant must seek a waiver at least ten days prior to the application deadline if they wish to submit a paper application. Applicants that receive a waiver to submit paper application documents must follow the rules and timelines that are noted below.

Applicants that do not adhere to the timelines for Central Contractor Registry (CCR) and/or Grants.gov registration and/or request timely assistance with technical issues will not be considered for a waiver to submit a paper application.

Please be aware of the following:

- Search for the application package in Grants.gov by entering the CFDA number. This number is located on the first page of this announcement.
- Paper applications are not the preferred method for submitting applications. However, if you experience technical challenges while submitting your application electronically, please contact Grants.gov Support directly at: [www.grants.gov/customersupport](http://www.grants.gov/customersupport) or (800) 518-4726. Customer Support is available to address questions 24 hours a day, 7 days a week (except on Federal holidays).
- Upon contacting Grants.gov, obtain a tracking number as proof of contact. The tracking number is helpful if there are technical issues that cannot be resolved and waiver from the agency must be obtained.
- If it is determined that a waiver is needed, you must submit a request in writing (emails are acceptable) to [Michelle.Feagins@hhs.gov](mailto:Michelle.Feagins@hhs.gov) with a copy to [Donna.Laverdiere@hhs.gov](mailto:Donna.Laverdiere@hhs.gov) including a clear justification for the need to deviate from our standard electronic submission process.
- If the waiver is approved, the application should be sent directly to the Grants Management Division by the deadline date of September 1, 2010.

To be considered timely, applications must be sent on or before the published deadline date. However, a general extension of a published application deadline that affects all applicants or only those applicants in a defined geographical area when justified by circumstances such as acts of God (e.g., floods or hurricanes), or disruptions of electronic (e.g., application receipt services) or other services, such as a prolonged blackout, that affect the public at large may be authorized.

**No other deadline extensions are permitted.**
