

## Help On-Demand Tool Kit Certified Enrollers

### Overview

Help On-Demand is found on the Covered California “[Contact Us](#)” webpage. When a consumer requests enrollment assistance via Help On-Demand, a Certified Enroller will immediately be alerted. The Certified Enroller will then have 8 minutes to accept the referral and 10 minutes to contact the consumer. If the Certified Enroller does not accept the referral, it will no longer be available to them and will transfer to the next eligible Certified Enroller. The consumer’s contact information will be delivered directly to the Certified Enroller who accepted the referral via a custom App.

Review the information below to learn more about the tool and what you need to know to participate and begin receiving referrals.

### Resources:

- [Four Options to Manage Your Availability](#) – list of step-by-step options to help you manage your availability and not miss accepting referrals
