ADVANCE NOTICE OF INTENT TO FILE EMERGENCY REGULATIONS

This notice is sent in accordance with Government Code Section 11346.1(a)(2), which requires that State of California agencies give a five working day advance notice of intent to file emergency regulations with the Office of Administrative Law (OAL). The California Health Benefit Exchange ("Exchange") intends to file an Emergency Rulemaking package with the Office of Administrative Law (OAL) that establishes the appeals process for employers and employees participating in the Small Business Health Options Program (SHOP). As required by subdivisions (a)(2) and (b)(2) of Government Code Section 11346.1, this notice appends the following: (1) the specific language of the proposed regulation and (2) the Finding of Emergency, including specific facts demonstrating the need for immediate action, the authority and reference citations, the informative digest and policy statement overview, attached reports, and required determinations.

The Exchange plans to file the Emergency Rulemaking package with OAL at least five working days from the date of this notice. If you would like to make comments on the Finding of Emergency or the proposed regulations (also enclosed), they must be received by both the Exchange and the Office of Administrative Law within five calendar days of the Exchange's filing at OAL. Responding to these comments is strictly at the Exchange's discretion.

Comments should be sent simultaneously to:

California Health Benefit Exchange
Attn: Brandon Ross
1601 Exposition Blvd.
Sacramento, CA 95815

Office of Administrative Law
300 Capitol Mall, Suite 1250
Sacramento, CA 95814

Upon filing, OAL will have ten (10) calendar days within which to review and make a decision on the proposed emergency rule. If approved, OAL will file the regulations with the Secretary of State, and the emergency regulations will become effective for one hundred eighty days (180) days. Please note that this advance notice and comment period is not intended to replace the public's ability to comment once the emergency regulations are approved. There will be a 45-day comment period within the 180-day certification period following the effective date of the emergency regulations.

You may also view the proposed regulatory language and Finding of Emergency on the Exchange's website at the following address:
<https://www.coveredca.com/hbex/regulations/>.

If you have any questions concerning this Advance Notice, please contact Brandon Ross at (916) 228-8281.

FINDING OF EMERGENCY

The Director of the California Health Benefit Exchange finds an emergency exists and that this proposed emergency regulation is necessary to address a situation that calls for immediate action to avoid serious harm to the public peace, health, safety, or general welfare.

This emergency rulemaking was previously adopted by OAL on December 3, 2013 and will expire on June 3, 2014. The Exchange now seeks a readoption. The Exchange is in the process of making this rulemaking permanent and has proceeded with diligence to comply with the requirements in Government Code § 11346.1(e), and has made substantial progress in that regard. For example, the Exchange has been revising and finalizing regulation text based on stakeholder comments and feedback, which will be addressed in the Initial Statement of Reasons, which is currently in progress. The California Health Benefit Exchange finance department is analyzing the economic impact on the regulations to complete the From 399 to publish the rulemaking to begin the permanent rulemaking process. We anticipate that the Initial Statement of Reasons and other necessary documents will be finalized and filed with OAL for publishing in the next several weeks.

This Finding of Emergency hereby incorporates by reference all documents in the original rulemaking file, which is file number 2013-1126-01 E.

DEEMED EMERGENCY

The Exchange may "Adopt rules and regulations, as necessary. Until January 1, 2016, any necessary rules and regulations may be adopted as emergency regulations in accordance with the Administrative Procedures Act. The adoption of these regulations shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health and safety, or general welfare" (Gov. Code § 100504(a)(6)).

Summary of Existing Laws

Under the federal Patient Protection and Affordable Care Act (PPACA), each state is required, by January 1, 2014, to establish an American Health Benefit Exchange that makes available qualified health plans to qualified individuals and small employers. Existing state law, the California Patient Protection and Affordable Care Act, established the California Health Benefit Exchange within state government. (Gov. Code § 100500 et seq.) The Exchange is required to establish the Small Business Health Option Program (SHOP), separate from the activities of the board related to the individual market, to assist qualified small employers in facilitating the enrollment of their employees in qualified health plans offered through the Exchange. (Gov. Code § 100502(m).) The Exchange is also required to establish an appeals process for prospective and current enrollees of the Exchange that complies with all requirements of the federal act. (Gov. Code § 100506.)

The proposed regulations will establish the Exchange's appeals policies and procedures for the SHOP. The proposed regulations will provide the public with clear standards for exercising their right to due process through the SHOP appeals process, including the requirements for SHOP appeals, informal resolutions, dismissal requirements, hearing requirements, the expedited appeal process and appeals decisions.

After an evaluation of current regulations, the Exchange has determined that these proposed regulations are not inconsistent or incompatible with any existing regulations.

JUSTIFICATION FOR DUPLICATION

These proposed regulations were developed with significant stakeholder engagement to implement and clarify the SHOP appeals process separate from the individual marketplace appeals process. While these regulations duplicate some federal regulations regarding employer and employee rights to appeal, this duplication is necessary to establish a complete and robust appeals process for the SHOP in California.

LOCAL MANDATE

FISCAL IMPACT ESTIMATES (Attached Form 399)

**COSTS OR SAVINGS TO STATE AGENCIES AND TO FEDERAL FUNDING
(Attached Form 399)**

The proposal results in additional costs to the California Health Benefit Exchange, which is currently funded by federal grant money and will become financially self-sufficient in 2015. The proposal does not result in any costs or savings to any other state agency.
