RE: RFP 2013-08 Enterprise Analytics Solution, Addendum 5

Dear Vendors,

Due to the time necessary to evaluate Final Proposals, Covered California is releasing this addendum to reschedule the Tentative Award Announcement. This addendum replaces the previous RFP document in total, and incorporates the following substantive changes:

- Reschedules the Tentative Award Announcement to January 30, 2015; and
- Reschedules the Protest Deadline to February 6, 2015, 3 pm PST.

Covered California has modified the following RFP documents via Addendum 5:

- RFP 2013-08 Enterprise Analytics Solution, Addendum 5 (cover page, cover letter page 2, and Section 1.3 Procurement Schedule).

Covered California thanks you for your interest and participation in this process.
