

**RFP 2024-10 IFM Predictive Analytical Consultant
Questions and Answers**

No.	Bidder Questions:	Covered CA - Response:
1.	<p>Reference: RFP 2024-10 IFM</p> <p>Would the contractor be precluded from being awarded future contracts to implement any mitigation controls recommended as part of this contract?</p>	<p>Yes, the contractor would be precluded from being awarded any future contracts to implement any mitigation controls recommended as part of this Contract. Per the Covered California Procurement and Contracting Manual (PCM) section 8.12, "A person, firm, or subsidiary awarded a consulting services contract shall not submit a bid or be awarded a contract for the services or goods suggested in that consulting services contract except that a person, firm, or subsidiary may be awarded a subcontract of no more than ten percent (10%) of the total monetary value of the consulting services contract."</p>
2.	<p>Reference: Exhibit A -Scope of Work, Reporting Headquarters Location</p> <p>If the contractor has project leadership on-site, will Covered California authorize support services to be conducted and/or located off-site?</p>	<p>The contract calls for the awardee of the contract to report to CCA onsite (Expo). However, support services to be conducted and/or located off-site will be on a case-by-case basis dependent on business needs.</p>
3.	<p>Reference: Exhibit B, Attachment 1 - Cost Worksheet</p> <p>Cost Worksheet states, "Covered California anticipates that Contractor will work an average of 40 hours per month for the duration of the Agreement." Can Covered California confirm if this is 40 hours per month/per staffing position?</p>	<p>The average of 40 hours per month will be inclusive of all direct and indirect costs for all activities, labor, materials, tools, equipment, and travel required to perform and/or support services under the Agreement.</p> <p>The 40 hours per month is an overall average and is not guaranteed for each staffing position, but for the overall work being done under this contract.</p>
