Answers to questions received during the Bidder Question time period shall be posted at the HBEX Solicitations website at: http://hbex.covered.ca.gov/solicitations.

At its discretion, Covered California may contact an inquirer to seek clarification for any inquiry received.

3.2.5 Completion of Bids: Bids must be complete in all respects as described in the requirements established within this IFB. The Final Bid must contain all items required in the IFB.

3.2.9 Covered California reserves the right to reject all bids. The agency is not required to award an agreement.

3.2.10 Before submitting a response to this solicitation, Bidders should review it, correct all errors and confirm compliance with the IFB requirements.

3.2.11 Errors: If a Bidder discovers any ambiguity, conflict, discrepancy, omission or other error in this IFB, the Bidder shall immediately notify Covered California of such error in writing and request modification or clarification of the document. Modifications or clarifications will be posted to the HBEX website without divulging the source of the request for modification or clarification. Covered California shall not be responsible for failure to correct errors.

3.2.12 Errors In Final Bids: An error in the Final Bid may cause the rejection of that bid; however, Covered California may, at its sole option, retain the bid and make certain corrections. In determining if a correction will be made, Covered California will consider the conformance of the bid to the format and content required by the IFB, and any unusual complexity of the format and content required by the IFB.
1. If the Bidder’s intent, as determined by Covered California, is clearly established based on review of the complete Final Bid submittal, Covered California may at its sole option correct an error based on that established intent.

2. Covered California may at its sole option correct obvious clerical errors.

3. A Bidder may modify a bid after submission by withdrawing its original bid and resubmitting a new bid prior to the bid submission deadline. Bidder modifications offered in any other manner, oral or written, will not be considered.

5. No oral understanding or contract shall be binding on either party.

Covered California reserves the right to contact Bidders at any stage of the bid process to collect additional clarifying information, if deemed necessary.

3.2.13 Rejection of Bids: Deviations may cause a bid to be non-responsive and not be considered for award. Covered California may reject any or all bids and may waive any immaterial deviation or defect in a bid. Covered California's waiver of any immaterial deviation or defect shall in no way modify the IFB documents or excuse the Bidder from full compliance with the IFB specifications if awarded a contract.

FINAL BIDS NOT RECEIVED BY THE DATE AND TIME SPECIFIED IN SECTION 3.1 KEY ACTION DATES OR NOT SEALED, will remain unopened and will be maintained by the Contact listed in Section 3.2.1 separately from bids that have been timely received. Issuance of this IFB in no way constitutes a commitment by Covered California to award a contract. Covered California reserves the right to reject any or all bids or portions of bids received in response to this IFB, or to amend or cancel this IFB at any time if it is in the best interest of Covered California to do so. In the event of such cancellation, Covered California may reissue the IFB at a later date.
Covered California reserves the right to consider past contract performance in its selection of a Bidder pursuant to this IFB.

1. Non-responsive Bids

   A bid may be deemed non-responsive and subsequently rejected if any of the following occurs:

   a. At any time a submission is received after the exact time and date set forth in Section 3.1 Key Action Dates, for receipt of each submission.

   b. The Bidder fails to meet any of the eligibility requirements as specified in Section 2 Bidder Minimum Qualifications.

   c. The Bidder fails to submit or fails to complete and sign required Attachments as instructed in this IFB.

   d. The submission contains false, inaccurate or misleading statements or references.

   e. The Bidder is unwilling or unable to fully comply with the proposed contract provisions.

   f. The Bidder supplies conditional cost information, incomplete cost information, or cost information containing unsigned/uninitiated alterations or irregularities.

2. Business In Good Standing

   The Bidder acknowledges that when agreements are to be performed in the State by corporations/vendors, the State will verify, prior to awarding any State contract, the following information in order to ensure that all obligations due to the State are fulfilled:

   Corporation in Good Standing

   The State will verify with the Office of the Secretary of State (SOS) that the Bidder is a corporation currently qualified to do business in California. The Bidder will be considered non-responsive if the Bidder is not listed with the SOS.

   “Doing business” is defined in Revenue and Taxation Code section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the State not be subject to the franchise tax.
Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California.

**State Tax Delinquency**

The State will verify with the Franchise Tax Board (FTB) and Board of Equalization (BOE) that the Bidder is not on a prohibited list due to tax delinquencies. The Bidder will be considered non-responsive if the Bidder appears on any of these lists.

The list established by FTB can be found here: [https://www.ftb.ca.gov/aboutFTB/Delinquent_Taxpayers.shtml](https://www.ftb.ca.gov/aboutFTB/Delinquent_Taxpayers.shtml)

The list established by BOE can be found here: [http://www.boe.ca.gov/cgi-bin/deliq.cgi](http://www.boe.ca.gov/cgi-bin/deliq.cgi)

**Federal Debarment**

The State will verify with the Federal System for Award Management regarding Bidder debarment status. The website can be found here: [https://www.sam.gov/portal/SAM/##11](https://www.sam.gov/portal/SAM/##11)

**State Debarment**

The State will verify with the California Division of Labor Standards Enforcement for contractors currently barred from bidding on, accepting, or performing any public works contracts, either as a contractor or subcontractor, The website can be found here: [http://www.dir.ca.gov/dlse/debar.html](http://www.dir.ca.gov/dlse/debar.html)

**3.2.14 Importance of Meeting Deadlines:** Bidders are responsible for the delivery of submissions to Covered California prior to the submission deadline. Upon Bidder providing package tracking information, if the package tracking information indicates its arrival at Covered California by the deadline, the package will be considered to have arrived on time. Postal service postmarks, however, will not be accepted as proof of timely delivery. Faxed or electronic submissions will not be accepted. This IFB has stated deadlines for submitting materials to Covered California which will be strictly enforced. Submissions that are incomplete or received after the stated deadline will not be accepted or reviewed.

**3.2.15 Where applicable,** the Bidder should carefully examine work sites and specifications. The Bidder shall investigate conditions, character, and where applicable, quality of surface or subsurface materials or obstacles that might be encountered. No additions or increases to the agreement amount will be made due to a lack of careful examination of work sites and specifications.
3.2.16 For the purpose of this solicitation, Covered California will not accept alternate contract language from a prospective contractor. A bid with such language will be considered a counter-bid and will be rejected. The General Terms and Conditions are not negotiable.

3.2.17 No oral understanding or agreement shall be binding on either party.

3.3 **Contract Amount**

Responses shall not exceed $20,000 in total costs, as described below. Responses that exceed this amount will not be considered for selection.

Funds will be allocated as follows: Up to $20,000 for services for employees at the Headquarters Office, 1601 Exposition Boulevard, Sacramento, CA 95815; the Rancho Cordova Service Center, 10877 White Rock Road, Rancho Cordova, CA 95670; and the CalHEERS Field Office, 2329 Gateway Oaks, Suite 100, Sacramento, CA 95833.

Bids must include services to all three locations.

Funding is subject to annual budget approval by the Covered California Board of Directors. If full funding does not become available, Covered California may terminate or amend the contract to reflect reduced funding and reduced deliverables.

3.4 **Evaluation and Selection**

3.4.1 At the time of bid opening, each bid will be reviewed for the presence or absence of required information in conformance with the submission requirements of this IFB.

3.4.2 Covered California will evaluate each bid to determine its responsiveness to the published requirements.

3.4.3 False or Misleading Statements: Bids that contain false or misleading statements, or which provide references which do not support an attribute or condition claimed by the Bidder, may be rejected. If, in the opinion of Covered California, such information was intended to mislead Covered California in its evaluation of the bid, and the attribute, condition or capability is a requirement of this IFB, it will be the basis for rejection of the bid.

3.4.4 Award, if made, will be to the lowest responsive responsible Bidder with acceptable references.

3.4.5 Covered California Rights:
1. Verification of Bidder Information

By submitting a bid, Bidders agree to authorize Covered California to:

a. Verify any and all claims made by the Bidder including, but not limited to, verification of prior experience and the possession of other required qualifications.

b. Check any reference identified by a Bidder or other resources known by the State to confirm the Bidder’s business integrity and history of providing effective, efficient, competent, and timely services.

2. Covered California may modify the IFB prior to the bid submission deadline by the issuance of an addendum on the HBEX Solicitation website.

3. Covered California reserves the right to reject any bid that does not satisfy the requirements set forth in the IFB. Covered California is not required to award a contract. Before submitting a response to this IFB, Bidders should review, correct all errors, and confirm compliance with the IFB requirements.

3.5 Protest

General

An unsuccessful Bidder has the right to protest the proposed award to a competitor subject to the terms and conditions outlined below. The protestant challenging Covered California’s proposed award bears the burden of proof. Protestants must follow the procedures outlined in this section.

Grounds

Protestant must cite the grounds for the protest and provide facts to support the protest. Covered California will determine, in its sole discretion, if the protestant has demonstrated sufficient grounds to allow the protest to be heard. Abuse of the protest process by unsuccessful Bidders will be rejected by Covered California. Grounds for protest must be one or more of the following:

1. Protestant reasonably believes that Covered California has acted in an arbitrary and capricious manner; or

2. Protestant reasonably believes that Covered California committed an error in its bid process, as stated in the IFB that is sufficiently material to justify invalidation of the proposed award.

There is no basis for protest if Covered California rejects all bids.
Requirements for Protest

Protests must be submitted in writing, signed by an individual who is authorized to contractually bind the Bidder, and contain a statement asserting the grounds for the protest including any citations of law, rule, regulation, or procedures upon which the protest is based. The protestant must allege facts and evidence in support of their claim. A protest must be delivered to Covered California by certified or registered mail or in person, in which case the protestant should obtain a delivery receipt. Protests must be received by Covered California by the close of business five days after the Notice of Intent to Award has been posted. Protests must be mailed or delivered to:

Protests will be heard and resolved by the Covered California Executive Director or his or her designee. The Executive Director’s or his or her designee’s decision is final.

Terms of Protest

Scoring documents, evaluation and selection documents, other Bidders’ submissions or any other record created as part of the review of bids submitted in response to the IFB are exempt from disclosure pursuant to Government Code Section 100508(a) and will not be released.

A protestant who has demonstrated a legitimate ground for protest as described above may be given access to certain relevant information regarding the IFB and Covered California’s consideration of submissions in response to the IFB upon the protestant’s execution of a Non-Disclosure Agreement provided by Covered California. Trade secret, proprietary, and confidential information will be redacted from documents disclosed to protestant as part of the protest process.

3.6 Disposition of Bids

Upon bid opening, all documents submitted in response to this IFB will become the property of the State of California.

3.7 Contract Execution and Performance

Performance shall begin no later than the express date set forth in the IFB by Covered California after all approvals have been obtained and the contract is fully executed unless a later date is mutually agreed upon by the Exchange and the Contractor. Should the Contractor fail to commence work on the agreed upon
date and time, Covered California, upon five (5) days written notice to the Contractor, reserves the right to terminate the contract. In addition, the Contractor shall be liable to Covered California for the difference between the Contractor’s bid price and the actual cost of performing the work by a replacement contractor.

All performance under the contract shall be completed on or before the termination date of the contract. Contractor shall not begin, and may not be compensated for, any work performed prior to the date and Agreement is executed.

3.8 Subsequent Solicitation

At Covered California’s sole discretion, after the contract award has been made and the contract has been executed, if the contract is terminated with or without cause after performance has begun, Covered California may engage the next-highest-ranked Bidder without performing a subsequent solicitation.

3.9 Amendments for Time Extension and/or Additional Funds

Covered California may, at its sole discretion, extend the term of the contract for up to two (2) years. If mutually agreed upon by the State and the Contractor, this contract shall be amended to include additional funding at the same rates provided in the Bidder’s proposal.

3.10 Addition or Subtraction of Services

Notwithstanding that bids have been submitted, at Covered California’s sole discretion, the Scope of Work may be modified prior to contract award to add or remove services through an addendum. If bids have been submitted at the time Covered California posts the addendum, Covered California may restrict responses so that only entities that have submitted bids in response to the IFB may respond to the addendum.

3.11 News Releases and Social Media

Bidders and the selected Contractor may not issue news releases nor make statements to the news media or through social media channels pertaining to this IFB, any bid, the contract, or work resulting therefrom, without first obtaining prior approval from Covered California.
