

RFP 2019-02 – Advance Network Support
Questions and Answers

QUESTION	ANSWER
1. FORM STD 213 – Standard Agreement – it looks like this is signed after the award or contract execution. I do not believe we can sign this until everything is negotiated and accepted by both parties? Do you need this signed and attached with the proposal?	The STD 213 is signed after award and execution of the contract. You do not need to sign it.
2. With ACI being a new and emerging technology, is CoveredCA willing to accept 1 year of experience or 5 years with Spine and Leaf architecture.	Yes
3. Is CoveredCA willing to accept experience with Palo Alto in place of the Palo Alto Certified Network Security Engineer.	Yes
4. Is CoveredCA willing to accept 2 years of experience on CA Certificates.	Yes
