

**RFP 2025-18 Vision Plan  
Questions and Answers**

<b>No.</b>	<b>Bidder Questions:</b>	<b>Covered CA - Response:</b>
1.	What was the doctor retention rate for your entire network for 2015 and 2016? Should we only deliver retention rates for these two years (2015 and 2016), or should we also include data for more recent years?	The questionnaire should have requested the doctor retention rates for 2024 and 2025. Refer to Addendum #1 which reflects this correction.
2.	Can you please confirm what needs to be included in the Required Documents section (not Required Attachments) as referenced on page 18 of the RFP document and if Covered CA would like the Vision Plan Questionnaire – Attachment 8 included in the Technical Requirements or in the Required Attachments (There are conflicting instructions between pages 18, 19 and 21).	Please include the Vision Plan Questionnaire (Attachment 8) in the Technical Requirements per RFP 2025-18, section 4.2.1.
3.	Is an incumbent vision carrier required to pay the \$1,000 application fee?	The \$1,000.00 Application Fee must accompany every response as described in RFP 2025-18, Section 1.5. Current incumbent vision carriers are not required to pay the one-time \$10,000.00 Implementation Fee.
