

Article	Section #	Comment	Covered CA Response
1	1.01.1	1.01.1 Expanded Demographic Data Collection Recommendation: Covered California for	Covered California recognizes the efficiency of collecting applicant data during the application process. However, the application process is not intended to be the only avenue for QHPs to gather information about their enrollees.
2	2.02.1	2.02.1 Screening for Depression Recommendation: reference to "submit a PLD file in accordance with Article 1.02.1" is included however, there is no such section in the CCSB contract, since there is no requirement to submit a PLD file this should be removed.	Thank you for your comment. Covered California will remove the sections that do not apply to CCSB.
2	2.03.2	2.03.2 Monitoring Opioid Use Disorder Treatment Recommendation: reference to "report those results, stratified by race and ethnicity, in accordance with Article 1.02.1" is included however, there is no such section in the CCSB contract, this should be removed.	Thank you for your comment. Covered California will remove the sections that do not apply to CCSB.
2	2.04	2.04 Integration of Behavioral Health Services with Medical Services Recommendation: reference to "contractor shall aim to pay its contracted providers through population-based payment and other alternative payment models in accordance with Article 4.01.3" is included, however, there is no such section in the CCSB contract, this should be removed	Thank you for your comment. Covered California will remove the sections that do not apply to CCSB.
3	3.04	3.04 Social Health Recommendation: reference to "SNS-E measure performance until measure reports are publicly reported by NCQA and appropriate benchmarks are available" should be removed as there are no requirements to collect and report this measure to Covered California, and the text seems out of place in the CCSB contract.	Thank you for bringing this to our attention, the language will be removed.
