Goals for Today’s Webinar

1. Help prepare California agents
2. Provide information
3. Questions & Answers
The vision of Covered California is to improve the health of all Californians by assuring their access to affordable, high quality care.

The mission of the Covered California is to increase the number of insured Californians, improve health care quality, lower costs, and reduce health disparities through an innovative, competitive marketplace that empowers consumers to choose the health plan and providers that give them the best value.
Agent Role at Covered California

5.3 Million Uninsured in California

Covered California will rely on agents to assist employers and individuals in getting covered.
