# Covered California for Small Business Value Proposition

For California's Small Businesses/Employers,  
who need the freedom to choose and the ability to control how  
much to invest in their health care benefit plan,

Covered California for Small Business allows employees to choose  
from a variety of popular health plan options offered by leading,  
private health insurance carriers.

Tax credits, available only through Covered California for Small  
Business, can also help reduce the cost of providing health insurance  
to employees.
