Issuers must deposit the monthly submission file in the specified repository before Midnight Pacific Time on the 7th business day of any given month (barring holidays and other events that occur on the 7th business day). Please note Issuers can submit files any time after the extract date and before the due date to receive Structural Validation feedback early. Issuers submitting before the due date can re-submit files up to the due date if there is a problem with the file structure or structural validation causing a failed submission.
