

## are you eligible for financial help?

Most likely, yes! Approximately 90% of Covered California enrollees get financial help to lower their monthly premium. How much financial help depends on your household income, family size and where you live.

**You could pay \$10/month or less for your health insurance plan, and you won't pay more than 8.5% of your income for our benchmark Silver plan. You may also qualify for low or no-cost Medi-Cal.**

## AM I REQUIRED TO HAVE HEALTH INSURANCE?

In California, most people are required by law to have health insurance or pay a tax penalty. Visit the Franchise Tax Board website at [www.ftb.ca.gov](http://www.ftb.ca.gov) to estimate the individual shared responsibility penalty you may owe if you do not have health insurance.

\*Proof of current income of all members in the tax household, such as a recent tax return, W-2, or pay stub. A dependent's income should only be included if their income level requires them to file a tax return. A household is defined as the person who files taxes as the primary tax filer and all the dependents claimed on that person's taxes. If you don't file taxes, you can still qualify for free or low-cost insurance through Medi-Cal.

\*\*You can apply for your eligible child or spouse even if you are not eligible.

Covered California offers four levels of coverage, also called metal tiers: Bronze, Silver, Gold and Platinum. Insurance companies pay a portion of covered services, and the benefits offered within each metal tier are the same no matter which insurance company you choose.

Visit [CoveredCA.com](https://CoveredCA.com) and choose “Shop and Compare” to see which brand-name health insurance plans are right for you.

Choose **Platinum** or **Gold** and you'll pay a higher monthly premium, but you'll pay less for medical services when you need them.

Choose **Silver** or **Bronze** and you'll pay a lower monthly premium, but you'll pay more for medical services when you need them.

A **minimum coverage plan** is available to those under 30, or those 30 and over who receive a hardship exemption.
