

Public Health Emergency & Medi-Cal to Marketplace Automatic Enrollment Program

Overview

State law enacted in 2019 authorizes Covered California to automatically enroll consumers in a qualified health plan when they lose Medi-Cal coverage and gain eligibility for advanced premium tax credits (APTC). Covered California will begin its auto-enrollment program for consumers transitioning from Medi-Cal soon after the end of the Public Health Emergency.

Outlined below is a “one-stop shop” for program information, resources, and support material for Covered California transitioning consumers, enrollment channel partners, and other stakeholders on the program and enrollment process. Check back frequently for updates.
