## Frequently Asked Questions

### **Q: What is Medicare?**

**A:** Original Medicare is broken into three parts. Part A, hospital insurance, covers inpatient hospital stays, care in a skilled nursing facility, hospice care, and some home health care. Part B, medical insurance, covers outpatient services, medical supplies, and preventive services. Part D, prescription drug insurance, covers prescription drugs.

Note: Some people choose to buy a Medicare Advantage plan (Part C) instead of original Medicare. Medicare Advantage plans cover hospital and medical services, and usually also cover prescription drugs.

### **Q: Does Covered California offer Medicare plans?**

**A:** No. Covered California does **not** offer Medicare Part A, B or D. Covered California also does **not** offer Medicare Advantage plans (Part C) or Supplemental Insurance (Medigap).

### **Q: Why does Covered California need to know if I have Medicare?**

**A:** People who are eligible for *premium-free* Medicare Part A should enroll in Medicare and cancel their Covered California health plan and/or financial help. This is to avoid tax and Medicare penalties. If you are eligible for premium-free Medicare Part A, you are **not** eligible for financial help to lower the cost of a Covered California plan.
