

Deferred Action for Childhood Arrivals (DACA) Toolkit

Overview

A recent federal rule change expands health coverage to Deferred Action for Childhood Arrivals (DACA) recipients, allowing them to sign up for a health/dental insurance plan through Covered California starting November 1, 2024*. Use the resources below to help consumers understand this new rule and their health care options and to assist them with the enrollment process.

**Covered California is monitoring the pending litigation seeking to block this new rule; we will promptly share updates on any developments and their potential impact on consumers, closely working with enrollment partners to ensure awareness.*
