What happens next?

- **If you do not renew your coverage by {End_Renewal_Date},** Covered California will use the most recent information on your application and from electronic data sources to see if you still qualify.

If you still qualify, we will re-enroll your household in the same plan you have now if it is available. If your dental plan is **not available** next year, your current plan will **end** on December 31.

- **If you want to change your dental plan for next year, you must sign up for a health plan first.**

The last day to make changes is January 31. Please make changes before December 31 if you want those changes to take effect on January 1. Otherwise, the changes may start later in the year.

- **Pay your premium (monthly cost) directly to your insurance company.** Do not send your payment to Covered California. If you choose a new plan, your coverage will not start until you make your first payment.

Your dental plan premium may change next year. Premium rates are based on age, ZIP code, insurance company and benefit level. Follow the steps on the first page to see plan choices and prices.

Thank you,

Covered California
