

Getting a Corrected Agent Agreement

If you received the DocuSign® agreement with incorrect information, please:

1. Click the “More” button at the top right, then select “Decline” from the drop-down menu.
2. A text box should prompt you to input the detailed information that needs to be corrected.
3. Submit your changes and a corrected Agent Agreement will be sent to you within 24-48 hours of completing these steps.
