NEWS FROM COVERED CALIFORNIA

December 15, 2017

Director's Corner

Dear Partners,

What a year! California can now boast that it has the lowest uninsured rate in the nation. After the uncertainty surrounding this year's Open Enrollment, it's clear our certified Agents and Community Enrollment Partners are doing phenomenal work!

As of December 13, more than 182,000 new consumers have signed up for coverage since the beginning of open enrollment, which is a 17 percent increase over this time last year. Given this information, and with more than 38,000 selecting a plan this week, it was announced in a [press release yesterday](#) that we at Covered California have extended the deadline to midnight on **December 22 for consumers to sign up for health care coverage that will begin on January 1, 2018**. Perhaps these increased numbers are due to the fact that most consumers are paying less for coverage, but we know it is in large part due to your hard work and persistence.

At Covered California we stand ready and prepared for the challenges ahead. Congratulations and a huge thank you for the hard work you do on behalf of Covered California and the citizens of our great State!

Happy Holidays to all,

Bob Manzer
Deputy Director
Outreach and Sales & Small Business

A full schedule of the remaining application deadlines is included below:

Important Reminders When Shopping for a Plan

Covered California remains focused in helping Certified Enrollers understand consumer options. Certified Enrollers can assist consumers shopping for a 2018 Covered California health plan by doing the following:

- Help consumers identify if they qualify for financial assistance

- Compare plans and coverage options to get the best coverage for the consumer's needs
- Check with Covered California's Provider Search Tool (found in Shop and Compare/Plan Preview), and with the health insurance companies, to ensure the doctors or hospitals the consumer wants are included in the plans they are comparing
- Remind consumers to submit a ***new binder payment*** if they **change their plan during Renewal or Open Enrollment**

Renewal

Automatic Renewals for January 1 Coverage

This month, Covered California will automatically renew all Covered California consumers who have not taken an active role in renewing into 2018 coverage. This will ensure a January 1, 2018 coverage start date. Review our [Renewal Tool Kit](#) for resources to help consumers through the renewal process.
