

Consent for Verification Quick Guide Certified Enrollers

IMPORTANT: Authorizing Electronic Consent to Verify Income

When a consumer fills out their application, they choose to allow Covered California to verify the information in their application electronically using the Federal Data Services Hub (FDSH) – This is called Consent for Verification. Consumers may authorize Covered California to electronically verify their information for a period of Zero (0) to Five (5) years. It allows Covered California to apply the Advanced Premium Tax Credits (APTC) and/or Cost Sharing Reductions (CSR) without the consumer having to take any action.

- Consumers who did not authorize Covered California to electronically verify income and household size for 2019 are being sent [notices](#) requesting their consent
- Consumers who are currently enrolled in a Covered California Health Plan and do not provide their consent to verify their information for the 2020 coverage year may lose their APTC and/or CSR

Follow the brief instructions below to help consumers update their consent for electronic verification in the online application.

1. Log in to your account on www.CoveredCA.com
2. Locate the “More Actions” section of the webpage (on the right)
